 Business, Leader & Culture Peak Performance Through Strategic Self-Development

1) Society's Money Spell: 5 Myths That Fuel Cultural Money Shadow & Divisiveness

What This Does	Keeps us under a collective spell that distorts society's relationship with money — & our own.
Myth #1: Money Polarization Which pole have you leaned toward?	To become wealthy you must be willing to sacrifice personal <u>i</u> _____, wellbeing, life balance, cherished relationships & social responsibility. To preserve these things, you must be willing to sacrifice <u>i</u> _____.
Myth #2: What Money Is Society's definitions of money are, at best, "true but not useful."	A Psychologically True-and-Useful Definition: \$=pLEx3C Money is <u>p</u> ortions of our <u>L</u> _____ <u>E</u> _____ converted into a form that we can <u>T</u> rade, <u>M</u> ultiply & <u>P</u> ay <u>F</u> orward 2 LE Conversion Steps: 1) Convert pLE into _____. 2) Convert _____ into T, M, & PF.
Myth #3: What Capitalism Is Society confuses capitalism with debtism. Many believe capitalism itself is inherently corrupt.	Debtism is <u>b</u> _____ against an uncertain future to prop up an <u>i</u> _____ lifestyle in the present. Healthy Capitalism = <u>e</u> _____ beneficial <u>a</u> greements about <u>L</u> ife <u>E</u> nergy exchange = Law of <u>R</u> _____.
Myth #4: What Causes Greed Society doesn't accurately identify the root cause of greed.	The root cause of greed is a <u>f</u> _____ happiness formula based on <u>ex</u> _____ consumption.
Myth #5: Money & Spirituality Society separates \$ & spirituality.	What's spiritual about money + capitalism?

2) Four Personal Money Shadow Scripts That Fuel Wealth Sabotage (#3 & 4 on next page)

What This Does	This personal programming keeps you locked in your self-defeating relationship with money.
Script #1: Reversed Sourcing The prevailing delusion is that money creates wealth.	What changes for you as a result of seeing that wealth creates \$?
Script #2: Money Entitlement "My xxx should be enough to get me money."	What does your entitlement script include?

<p>Script #3: Money Risks Attaining financial abundance entails unacknowledged risks.</p>	<p>What risks might you be taking by becoming financially well off?</p>
<p>Script #4: Reciprocity Blocking Addicted givers & takers block a spiritual law that's arguably more potent than the Law of Attraction.</p>	<p>How do you block the Law of Spiritual Reciprocity in your venture?</p>

3) 5 Monetization Mastery Keys (including 7 Monetization Confidence Dimensions)

<p>What This Does Replaces society's \$ Myths & your \$ \$hadow so you can fully monetize your M-Wealths.</p>	
<p>Key #1: Reset Your \$ Program The Money Reset Method™: Inner Permission Step</p>	<p>Write what shifted in you from this exercise...</p>
<p>Key #2: Identify Your M-Wealths You are already multi-dimensionally wealthy but probably didn't know it.</p>	<p>My M-Wealths Include...</p>
<p>Key #3: Life Energy Allocations You allocate your life energy by design or default. Your money pie slice funds your entire energy pie.</p>	<p>Create 3 Life Energy pie charts: "ultimate," "now," and "next." Chart your Life Energy allocations & slice sizes within your Monetization pie slice. Shift toward smaller size & higher leverage.</p>
<p>Key #4: Monetization Choices in Service to "Enoughness" "Enoughness" funds financial independence to live your ideal calendar, lifestyle & legacy in alignment with your impact mission.</p>	<p>Define your impact mission, ultimate life goals (ideal calendar, lifestyle & legacy), and life balance commitments.</p>
<p>Key #5: 7 Monetization Confidence Dimensions Which of these 7 dimensions are gaps you'd hoped to avoid or simply haven't optimized? How will you (or someone on your team) fill those gaps in ways that amplify your monetization confidence & mastery?</p>	<ol style="list-style-type: none"> 1. Productizing: 2. Visibility/Opportunity Creation: 3. Educating: 4. Closing: 5. Co-Worker & Customer Experience: 6. Turning Co-Workers & Customers Into Visibility Creators: 7. Financial Wellbeing Tracking:
